
GenCyS 2025 – Location & Access Information

A Seamless Hybrid Experience for Every Participant

GenCyS 2025 is designed as a fully **virtual cybersecurity conference** with select **on-site events** including the Capture The Flag (CTF) finals. Whether you're joining online or attending in person, we've made access easy, interactive, and immersive.

Virtual Conference Experience (Aug 23–24, 2025)

All **keynotes, workshops, and panels** will be broadcast via a secure, high-availability event platform accessible on both desktop and mobile devices.

Key Virtual Features:

-  Live-streamed sessions with interactive Q&A
-  Resource downloads, recordings, and replays
-  Chat lounges for peer networking
-  Dedicated workshop rooms with instructor-led labs
-  Career booths and resume drop areas

Once registered, participants will receive:

- A personalized login link via email
- Access instructions with device compatibility info
- Session reminders and platform walkthrough videos

 **Tip:** Ensure a stable internet connection and Chrome/Edge browser for best performance.

On-Site CTF Finals (Aug 23, 2025)

The **top 50 teams** from the online qualifier round will be invited to the in-person Capture The Flag (CTF) finals.

Venue:

UST Campus
Technopark Phase 2,
Kulathoor, Trivandrum – 695583
Kerala, India

Facilities:

- 24-hour access for CTF teams
- High-speed internet and secure lab environment
- Technical support and hospitality services
- Cafeteria access, breakout areas, and emergency medical support

 Travel & accommodation arrangements must be managed by participants. Venue details and local guides will be provided to all finalists.

** Safety & Security Protocols**

- Valid government ID required for onsite entry
 - COVID protocols as per current local regulations
 - Digital badges required for session access and check-ins
 - CTF participants must bring their own laptops and power adapters
-
